

"All the lawyers who gave me service were excellent. Patient, sensitive and above all, strive for excellence."The Legal 500 EMEA 2020"Professionalism and expertise in the applicable legal fields and short response time."The Legal 500 EMEA 2020

AYR's litigation practice is very experienced in representing private and public parties in various administrative litigation proceedings.

Administrative law issues such as freedom of speech, public procurement, and immigration. In several cases we secured precedential judicial decisions.

The firm has had a steady stream of successful handling of complex administrative disputes, and represented clients in all relevant instances, including the High Court of Justice. Among its clients the firm can count companies in many industries, including broadcasting, telecommunications, infrastructure, urban renewal, and higher education.

Cases & Legal Activities

Representative matters include:

- Judicial review proceedings
- Defending and challenging public procurement processes
- Defending government decisions
- Administrative litigation in the High Court of Justice, administrative courts, the Antitrust Tribunal, and appeals committees.
- Appearances before parliamentary committees, government ministries, and local authorities in various legislative and regulatory matters.
