

"A professional law firm with a brigade of excellent lawyers."The Legal 500 EMEA 2020"responsive and connected' team" Legal 500 EMEA 2014

AYR is at the forefront of Israeli law firms in the representation of vendors and purchasers in merger and acquisition transactions. Our firm offers knowledge, experience and creativity alongside a professional response to all aspects of transactions. In this way, we provide our clients with a complete solution which meets their needs and assists them in completing transactions.

The ongoing advice that we provide to our clients is tailored to suit their business strategy and their plans for development. An integral part of the development of the private, public, local and international corporations that we represent is purchases, sales and mergers.

The Mergers and Acquisitions Team at our firm has rich experience and advises a broad range of purchasers and vendors, in local and international deals, studies the client's business, and the commercial interest which needs to be protected. The Team is assisted by a team from the Taxation Department and a team from the Antitrust Department, and provides a comprehensive response to the various aspects of the deal, and to customer needs.
