

AYR

My dear friend,

I hope you are doing well.

I wish to inform you that after having a lot of thinking, I decided to join AYR – Amar Reiter Jeanne Shochatovitch & Co. law firm – one of the top firms in Israel's legal market with the fastest growth rate, also ranked as a leading law firm in all major local and international ranking guides.

Our clients include international and domestic companies in technology, telecommunications, real-estate, retail, media, transportation, high-tech and venture capital, finance and insurance, many of which are leaders of their respective fields. Our clients are entrepreneurial and sophisticated, and we build our practices with excellence, drive, creativity, resourcefulness, flexibility, diversity and informality to best serve their needs, match their energy, and keep them as clients over the long term.

The firm, among other things, specializes in accompanying foreign residents and foreign companies regarding investments in Israeli companies, purchase of properties in Israel and provision of full and comprehensive legal advice.

I work alongside the international department, and therefore responsible for liaising with foreign residents, accompanying investors and providing a solution to any matter and problem.

Moreover, I will continue to lead commercial litigation cases, serve as an arbitrator and mediator in corporate disputes, and will continue devotedly in all my volunteer and business activities.

I would happily answer any question and need that might arise.

Best Regards,

Adv. Buky Katzman
